Washington, DC 20460

Dear Mr. McIntosh:

On behalf of U.S. Senator Mark Begich, I would like to request assistance with acquiring a report from a recent investigation which the Region 10 Environmental Protection Agency (EPA) office conducted in Fairbanks, Alaska. Recently, Mr. Brandon Perkins came to Fairbanks to investigate complaints regarding coal ash escaping from the Aurora Energy Plant owned and operated by Golden Valley Electric Association. As part of the investigation, we are aware that Mr. Perkins visited at least one residential home possibly being negatively impacted by the escaping coal ash.

Can the EPA please provide a report of the findings to our office? Thank you for your consideration and assistance with this request.

Sincerely,

Janelle Perry
